Dear Mr Keung

COMPLAINT – MR ANTHONY ABBOTT & MR TIMOTHY MAGAREY

I refer to previous correspondence and in particular the Director's letter to you dated 29 June 2010.

I advise that I have now had the opportunity of perusing your complaint.

You have made complaint about Mr Tony Abbott. I advise that Mr Tony Abbott is presently the Presiding Member of the Legal Practitioners Conduct Board.

Accordingly, I have considered that there is a potential conflict for any employee of the Legal Practitioners Conduct Board to investigate this matter. I have therefore referred your complaint for external investigation.

I advise that Mr James Cosoff of the firm Cosoff Cudmore & Knox has been engaged by the Board to conduct the investigation of this matter.

Mr Cosoff has been provided with a copy of your complaint and has been requested to contact you once he has had the opportunity to consider the matter.

If you have any queries in relation to the conduct of the investigation please do not hesitate to contact the writer at first instance or Ms Alexandra Rathbone, the Director of the Legal Practitioners Conduct Board.

I thank you for referring this complaint for the Board's consideration and can assure you that the complaint will be investigated by the law firm appointed by the Conduct Board to do so.

Yours faithfully

ELIZABETH MANOS
Principal Legal Officer
